# ABOUT US

Flywings International Institute of Aviation and Logistics is located in Gandhi Nagar East, Oddanchatram, Dindigul District, nestled in the beautiful valley of the Oddanchatram hills. Flywings International is a well-known institution in the fields of aviation, logistics, and hospitality training and placement.

Flywings International is promoted by the National Centre for Employment and Education (NCEE), a non-governmental organization (NGO). NCEE helps improve the education and livelihood of poor and neglected children. It establishes educational institutions, including schools, colleges, and training centers, to further its mission of promoting education and social service. NCEE has been actively involved in these fields for many years.

We envision the socio-economic and ethical well-being of each student. Our commitment to enhancing student morale is demonstrated through our persistent and intensive soft skills training and personality development programs throughout the course. By the grace of God Almighty, we have succeeded in our mission and boast a glittering constellation of well-placed alumni.

With its prime location and temperate climate, Oddanchatram is a well-known town in South India famous for its vegetable market. The 5-acre campus of Flywings International Institute of Aviation and Logistics offers students a serene and inspiring learning environment surrounded by breathtaking natural beauty.

The campus features a playground with a pavilion; separate hostels for boys and girls, and is just a short walk away from major transportation hubs, including the railway station, bus station, and interstate bus terminal. This convenient location makes it easy for students to get around and explore the town while also providing quick and easy access to other destinations.

The aviation, logistics and hospitality industries are evergreen industries, and there is a growing demand for professionals with the right skills and expertise. Flywings International is committed to preparing students for these industries and ensuring that they are ready to take on the challenges of the future.
